

Terms & Conditions

All American Metal Components requires all visitors to this site to agree to these terms and conditions. If you do not agree, you should not use this site. By accessing the site you indicate your acknowledgment and acceptance of these terms and conditions.

Restrictions on the use of the text, images, graphics, sound files, animation, video and/or their arrangement on All American Metal Components's website are all subject to intellectual property right protection and such material from www.aa-metal.com and any other world wide web site owned, operated, licensed or controlled by All American Metal Components or any of its related, affiliated or subsidiary companies (collectively All American Metal Components) may not be copied, distributed, republished, uploaded, posted or transmitted in any way without the prior written consent of All American Metal Components. Modification or use of the materials for any other purpose violates All American Metal Components intellectual property rights. Neither title nor intellectual property rights are transferred to you by access to this site, but remain with All American Metal Components, who owns full and complete title to the material in this site.

SUBMISSIONS

All remarks, suggestions, ideas, graphics, or other information communicated to All American Metal Components through this site (collectively the "Submission") will forever be the property of All American Metal Components. All American Metal Components will not be required to treat any Submission as confidential, will not be liable for any ideas for its business (including without limitation, product or advertising ideas) and will not incur any liability as a result of any similarities that may appear in future All American Metal Components operations. Without limitation, All American Metal Components will have the exclusive ownership of all present and future existing rights to the Submission of every kind and nature everywhere. All American Metal Components will be entitled to use the Submission for any commercial or other purposes whatsoever without compensation to you or other persons sending a Submission. By access to this site you acknowledge that you are responsible for whatever material you submit, and you, not All American Metal Components have full responsibility for the message, including its legality, reliability, appropriateness, originality and copyright. All American Metal Components does not warrant or make any representation regarding the use of the materials contained in this site in terms of correctness, accuracy, reliability or otherwise. The material in this site may include technical inaccuracies or typographical errors and

All American Metal Components may make changes or improvements at any time.

NO WARRANTIES OR REPRESENTATIONS

The information contained in this site is provided “as is” and without warranty of any kind, expressed or implied, including, but not limited to, all warranties of merchantability and fitness for a particular purpose. All American Metal Components does not warrant that the functions contained in the material will be uninterrupted or error free, that defects will be corrected, or that this site or the server that makes it available are free of viruses or other harmful components. All American Metal Components does not warrant or make any representations regarding the use of or the result of the use of the material in this site in terms of their correctness, accuracy, reliability, or otherwise. You (and not All American Metal Components) assume the entire cost of all necessary servicing, repair or correction. Accordingly, by using this information you agree that All American Metal Components (including its agents, officers, directors and employees) are not liable for damages of any kind.

MISCELLANEOUS

These terms and conditions will be governed and interpreted pursuant to the laws of the State of Alabama, inside the United States of America, notwithstanding any principles of conflict of laws. This is the entire agreement between the parties relating to the use of this site. All American Metal Components can revise these terms and conditions at any time by updating this posting. All American Metal Components products and services are available in many parts of the United States. However, the All American Metal Components site may describe products and services that are not available nationally. This site may be linked to other sites, which are not maintained by All American Metal Components. All American Metal Components is not responsible for the content of those sites.

COOKIES

Google, as a third party vendor, uses cookies to serve ads on your site. Google's use of the DART cookie enables it to serve ads to your users based on their visit to your sites and other sites on the Internet. Users may opt out of the use of the DART cookie by visiting the Google ad and content network privacy policy.

ALL TRADEMARKS ARE THE PROPERTY OF THEIR RESPECTIVE TRADEMARK OWNERS

There may be occasions when All American Metal Components obtains personally identifiable information to provide the visitor with correspondence or otherwise. However, All American Metal Components only gathers personally identifiable information, such as names, addresses, e-mail addresses, etc., when a visitor voluntarily submits the same. Such personally identifiable information, which may be gathered in connection with All American Metal Components on-line visitors, is used solely by All American Metal Components and is not sold, transferred or otherwise disseminated to third parties outside All American Metal Components.

PARENTS

All American Metal Components strongly encourages all parents to supervise their children's on-line activities and regularly monitor their children's use of the Internet. Parents should consider using parental control tools and other services to assist them in supervising their children's on-line use or on-line disclosure of their name, address or other personal information without parental consent.

All American Metal Components reserves the right to change this policy at any time. Please check this page periodically for changes.
